Please print this form and submit with the required attachments. This form cannot be filled.

The NAPOA/NAAALEC scholarship honors an outstanding student either in their senior year in high school (planning to attend college) or attending a (full-time) college or university. The committee will judge the applicants on leadership potential, academic achievement (as demonstrated by academic transcripts), and an essay written by the applicant outlining the applicant's future goals and aspirations pertaining to the applicant's law enforcement career and the applicant's demonstrated commitment to the community. The entire package can be scanned and emailed. The awards will be presented at the 2024 (NAPOA-NAAALEC) national conference dinner.
